No hooks will be involved, so no fear of collateral damage! The basics will get you from no where to being able to cast a 30 foot loop which is about what you need to begin fly fishing. Men, women or couples are welcome and if some have experience, I am happy to improve on what they know and take them to the next level. Roll casts, double haul, reach casts, stack casts and mending techniques are all possibilities for those with some experience. Tim has fly fished since high school and has fly fished throughout the US. He ties his own flies and spends most of his local fishing time in Northern California. Equipment will be provided. Value: \$190.00 Min. Bid: \$100

An impressive "horizontal" of Turley 2005 Zinfandels: Turley - 2005 Paso robles Zinfandel Pesenti Vineyard: Exhibits a dark ruby/purple coloe, plenty of minerality, loads of bright, savory, black cherry and black currant fruit, and notions of pepper and crushed rocks. This is one of the deepest, richest, most full-bodied 2005s in this portfolio. Turley - 2005 Napa Valley Zinfandel, Moore "Earthquake" Vineyards: It possesses the darkest ruby/purple color of these offerings as well as a beautiful perfume of blueberries, blackberries, flowers, pepper, and earth. This complete, rich, beautifully textured, super-long cuvee is one of the top successes of this vintage. Drink it over the next 7-8 years. Turley - 2005 Zinfandel, Ueberroth Vineyards: A brilliant offering, this wine emerges from a 19th century hillside vineyard planted in pure limestone. It offers a dense ruby/purple color, wonderful freshness, and a strong personality displaying notes of black raspberries, cassis, pepper, dried herbs, and earth. A stunner, it will be one of the longest lived 2005s, lasting for a decade or more. All wines scored 91-93PTS Robert Parker Wine Advocate - Tasting Notes 12/06 Enjoy!!
