

# Annual Angel Fund

THE REASONS TO PARTICIPATE  
ARE AS SIMPLE AS "ABC"!

## *A: Participate to support our programs.*

Did you know that:

- ♥ Some schools have aides in all the classrooms, but not all do.
- ♥ Many schools don't have a differentiated math program.
- ♥ St. Pat's offers Spanish as a solid subject, four days per week. Our students are well prepared for high school Spanish. By contrast, some schools offer a token amount of time to Spanish, so that Spanish is just a marketing tool rather than a class of substance.

We offer enriched instruction at St. Pat's. We take great pride in our curriculum, that includes *at least* 12 excellent programs that set us apart from other schools:

1. A consistent emphasis on study skills throughout all grades
2. Faith-based values in developing social skills in all grades
3. A hands-on science program taught by two specialty teachers in a dedicated science room
4. A differentiated math program offering two math groups in grades 3-8
5. An emphasis on outdoor education in grades 6-8
6. A solid Spanish Program for students in 7<sup>th</sup> & 8<sup>th</sup> grade
7. A supplemental reading program that reinforces reading skills
8. A laptop program with integration in all curriculum areas, including, navigating the web, keyboarding and researching skills, and Multi-media instruction (Grades 1-8)
9. A fine arts program with quality instruction by specialists in music and art (one specialist for grades 1-5 and another for grades 6-8)
10. A departmentalized Junior High
11. A new Resource Program intended to provide enrichment and support for our students in K through 8
12. A heartfelt and in-depth religious program supported by our parish

## *B: Participate to support our children.*

The result of our educational program is that our graduates are well received and appreciated by high schools. They have excellent study skills and they have a strong foundation in all subjects. The strength of our program is seen in our graduates.

## *C: Participate to support our common values.*

St. Patrick School, provides a value-and-faith-based education. It sets us apart from other schools. Our common thread is our shared values. These values create a sense of community, and it is the feeling of belonging that inspires us all to give freely of our time, talent, and treasure.

We must have 100% participation from you, our community members, in order to maintain these excellent programs.

- ♥ Our need for the Angel Fund this year is \$750 per student - not per family, but per student. Some families can give more than that, others less - but it is vital that EACH family give as you can and that we achieve 100% participation during the 2008-2009 school year. Please keep our educational programs in place.
- ♥ If you haven't already done so, the important thing is that you please MAKE YOUR PLEDGE today.

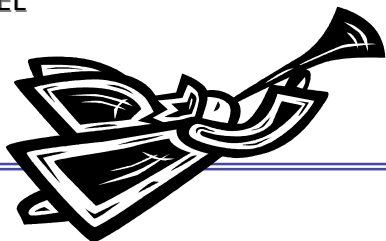

And, by the way:

- ♥ Your gift is tax deductible.

### **Pledge Level**

ARCHANGEL GOLD	\$3000 and above
ARCHANGEL	\$1501 - \$2999
ANGEL	\$751 - \$1500
CHERUB	\$ up to \$750
